

JD van Wyk, CFA, CIPM
CFA Society South Africa Board Member

JD is a Senior Associate at Stonehage Fleming. He is a part of the investment research and strategy team, responsible for manager selection and oversight of the firms model portfolios. At just over three years, JD has been in the investment industry for a relatively short period of time - having worked in Corporate Finance and as a lecturer before. He became a CFA® charterholder in 2016.
