

Oyena Mtuzula

BCOM (MANAGEMENT STUDIES)

Head of Credit and ESG Analyst, Authorised Representative

Oyena Mtuzula joined Terebinth as a Credit and ESG Analyst and has now been appointed as Head of Credit. She previously held a role as Associate Equity Analyst at Camissa Asset Management (formerly known as Kagiso), where she had responsibilities in research and view formulation. She holds a Bachelor of Commerce degree with a major in Management Studies from the University of Cape Town and is a CFA level 3 candidate.

Oyena brings a wealth of bottom-up analysis skills to the team, given her experience in equity analysis. Oyena's responsibilities include formulation of Terebinth's ESG and SRI practices and policies, modelled processes for corporate actions, credit analysis, as well as providing the investment

team with core insights from the credit committee. As an analyst, her responsibilities include, managing credit across all Terebinth Capital products, trade execution, trade idea formulation and, communicating and presenting to clients. On top of these responsibilities Oyena is also the primary person responsible for identifying corporate credit trading opportunities across the income fund range. As an analyst mentoring on portfolio management, trade execution, risk allocation, trade idea formulation and communicating and presenting to clients forms part of her time under her training.
